

Concrete pour February 19 at the future Mount Pleasant Station

February 18, 2025

The Broadway Subway Project Corporation has scheduled a concrete pour at the future Mount Pleasant Station on Wednesday, February 19. Further details are below.

Construction Activities

A concrete pour will take place on Wednesday, February 19:

- Work hours are from 5 a.m. to 2 p.m. The first concrete truck will arrive on site around 6:30 a.m. Low-noise work will continue into the evening to complete related activities.

What to expect

- A concrete pump will be set up on Quebec Street south of E. Broadway from 5 a.m. to 9:30 a.m. before moving inside the construction site laydown for the balance of the pour. The first concrete truck will arrive on site around 6:30 a.m.
- This pour will involve approximately 15 concrete trucks.
- Please note that concrete trucks are required to have their engines running at all times to keep their drums turning, and to use traditional back-up alarms for crew safety.

Traffic

Temporary traffic changes may be in place during the concrete pour as follows:

- Concrete trucks will arrive and leave from the construction site via E. 10th Avenue, Quebec Street and the lane running between Quebec and E. 10th Avenue.
- Parking and the loading zone on Quebec Street between E. 10 Avenue and the lane will **remain open** throughout this pour.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
