

Concrete pour February 27 at the future Mount Pleasant Station

February 25, 2025

The Broadway Subway Project Corporation has scheduled a concrete pour at the future Mount Pleasant Station on Thursday, February 27. Further details are below.

Construction Activities

A concrete pour will take place on Thursday, February 27:

- Work hours are from 5:30 a.m. to 5 p.m. The first concrete truck will arrive on site around 6:30 a.m. Low-noise work will continue into the evening to complete related activities.

What to expect

- Two concrete pump trucks will be used for this concrete pour: one concrete pump truck will be set up on Quebec Street south of E. Broadway; the second concrete pump truck will be set up inside the construction site laydown.
- Approximately 90 concrete trucks will be involved in this pour.
- Please note that concrete trucks are required to have their engines running at all times to keep their drums turning, and to use traditional back-up alarms for crew safety.

Traffic

Temporary traffic changes may be in place during the concrete pour as follows:

- The southbound curb lane on Main Street south of E. Broadway toward mid-block will be closed from 5:30 a.m. to 4 p.m. to stage concrete trucks.
- Concrete trucks will arrive and leave from the construction site via E. 10th Avenue, Quebec Street and the lane running between Quebec and E. 10th Avenue.
- Parking and the loading zone on Quebec Street between E. 10 Avenue and the lane will **remain open** throughout this pour.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
